

Board Meeting Notice

Like all nonprofit organizations, PPTRC is governed by an elected, volunteer board of directors that consists of individuals who are committed to the mission of the organization. The PPTRC Board of Directors meets ten times per year and focuses its meetings and work on the mission of the organization by:

- Establishing and evaluating management policies and procedures
- Assuring that adequate human resources (volunteer and/or paid staff) and financial resources (earned income, contracts, grants, and charitable contributions) are available
- Actively monitoring the organization's financial and programmatic performance.

The Executive Director reports directly to the Board of Directors.

PPTRC is a private, nongovernmental organization, and thereby, board meetings are private and closed to the public. If an interested stakeholder wishes to address the Board of Directors at a meeting, s/he may contact the Executive Director at 495-3908 or pptrc@pptrc.org, who will then seek approval from the Board President. If approved by the President, the guest will be allowed to participate during the ten minute Public Comment portion of the meeting beginning in May 2009. At 5:10 p.m., the Board of Directors will go into Executive Session and all guests will be excused.
